## Fresh Apples and Potatoes for Thanksgiving Baskets

Rotarians Doug Maurer, Gina Eschke, Cathy Pugh and Mike Cook, worked with 20 Interact club-members at Brookside High School on November 13th to bag 500 pounds of potatoes and bushels of apples.

The apples and potatoes will be included in Thanksgiving baskets for families in need in Avon, Avon Lake, Sheffield Lake and Sheffield Village. Approximately 100 families will benefit from fresh potatoes and apples for their Thanksgiving dinner. Community Resource Services (CRS) add the potatoes and apples to the turkey baskets and will deliver in Avon and Avon Lake. AmVets will do the same and will deliver to families in Sheffield and Sheffield Lake.
